To whom it may concern:

I am writing this letter to endorse Independence Training and Glen Stilson. Pace Academy has engaged Independence Training and we are extremely pleased with his services. Glen has provided instruction through his Youth Safety Education program, involving firearm safety and ready mindset, for our students and staff for two years. We have found the professionalism of Glen and his company to be world-class and extremely engaging for our students. Glen's course outline is pertinent, informative and extremely educational.

Pace Academy will be utilizing Independence Training for additional courses in Situational Awareness, Emergency Response and Ladies Self-Defense.

We highly endorse Independence Training and Glen Stilson.

Please feel free to call me with any concerns or questions.

Sincerely,

Bill Sakelarios
